

Children needed to make faces!

African American, Asian, Hispanic, and Indian children, ages 4 to 6 years old, are needed to make emotional facial expressions for photographs that are to be used in scientific research.

Visits take only 20 minutes, and participating children will be compensated with a t-shirt or a small toy! Parents will receive \$20 for their time.

To sign up, email childstudycenter@virginia.edu or call 434.243.5234 and ask about the Face Pictures.
